

Issue ID	Date Reported	Reporter	Module/Feature	Description of the Issue	Step to Reproduce	Expected Result	Actual Result	Severity	Assigned To	Comments
1	25/03/2024	Facundo	Create Task	When opening the create a task modal, title is misleading	Given I'm a Authenticated user When I open the create Task modal Then the title should be different	Title should say Add Task	Title says Update Task	5		
2	25/03/2024	Facundo	Delete Task	Users not owning a task can delete them from the list	Given I'm authenticated as UserA And I create a new Task When UserB authenticates Then UserB should not be able to delete a task via API not owned by him	UserB shouldnt be able to delete a task not owned by him	UserB is able to delete a task not owned by him	1
